## Hard Fight Forecast Between Wisconsin And Northwestern

CHICAGO, Oct. 18.—A hard fight between apparently even matched teams was looked for today when Wisconsin meets Northwestern, called the "dark horse" of the "big ten" conference on the latter's field at Evanston. Northwestern was assured of her full strength when the faculty directors of the conference decided last night that the Bernard brothers, Langenstein and Miller were eligible and Captain Koehler, star fullback, injured a week ago, declared he would start in the game. Eligibility of the four men had been questioned by Wisconsin.

## WEST HIGH GRIDDERS WIN FROM GRANITIANS BY SCORE OF 13 TO 0 IN FAST GAME

SALT LAKE CITY, Utah, Oct. 18.—The West high, by playing a snappy and faster brand of ball, were able to down their Granite opponents on the Granite campus yesterday afternoon, 13 to 0, but not until the Farmers had put up a stubborn fight. The Red and Black were the aggressors practically throughout, and it was only during part of the final quarter that Granite was able to play them even.

In this quarter the Farmers worked two successful forward passes for long gains, and were holding their opponents even when the final whistle blew. Most of the play during the entire game was straight football, although the West high backs often got around the Granite ends for long gains. The Panthers kept pounding the Granite line, and continually making gains through the center and through the guards.

Many costly fumbles were made by both elevens, and those made by the Red and Black cost them at least two touchdowns. Both teams were often penalized and at one time a West high man was put out of the game and the team penalized thirty yards.

Coach Halton's backfield is slow in getting away with the ball and most of their gains were made through tackle.

**Panthers Score.**  
The first quarter found Granite receiving the kickoff, but they were held for downs and had to punt. West high started down the field, but after carrying the ball to Granite's fifteen-yard line lost it on a fumble. West high was on the offensive most of the time, and near the end of the quarter they blocked a punt on Granite's twenty-yard line, and after making a few downs, Funk carried the oval over for the first touchdown.

At the beginning of the second quarter the Red and Black again started for the goal line and after they had worked the ball to the Farmers' three-yard line, they were penalized for being off side, and lost a good chance to score. Granite kicked the ball out of danger. The end of the half found Granite with the ball on their eight-yard line.

Coach Christenson's bunch again started out strong at the beginning of the second half, and, after holding Granite for downs on Granite's twenty-yard line, they were able to push the ball over. Ridd making the touchdown. Mitchell kicked goal. During this quarter the West high were penalized for slugging. Several times the Red and Black would carry the pickin near their opponents' goal, only to lose it by a fumble.

The final quarter found the Red and Blue putting up their strongest fight,

and they were able to hold the west side even. During this quarter Coach Halton made several substitutions which seemed to instill new pep into the team. Linell received a pass for a gain of twenty yards. A short time afterwards Peterson pulled down a pass for thirty yards. When the final shot went off the ball was near the center of the field and both teams were fighting hard.

For the West side Funk was easily the most consistent ground gainer; and Mitchell at center, Roberts, the two Everett brothers and Hagen put up a strong fight. Linell and Cornwall put up the best fight for Granite, although Hart, Buehner and Andrews were found in almost every play. Captain Green of Granite was injured the first quarter and his pepper was badly missed by his teammates. At the beginning of the second quarter on the first play Roberts of the West high received the ball and started toward his own goal to make a touchdown, and after giving the Granitians twenty yards, was downed.

The lineup:  
West High: Van Elm qb, Cornwall Green, Hagen lh, Green, Ridd rh, Cutler Funk rb, Andrus Roberts lb, J. Summerhays Gregory t, Spahr McDonald lg, Schrepel Mitchell c, Buehner D. Everett rg, Young A. Everett rt, Gini Varnell re.

### EASIER NOW THAN LATER

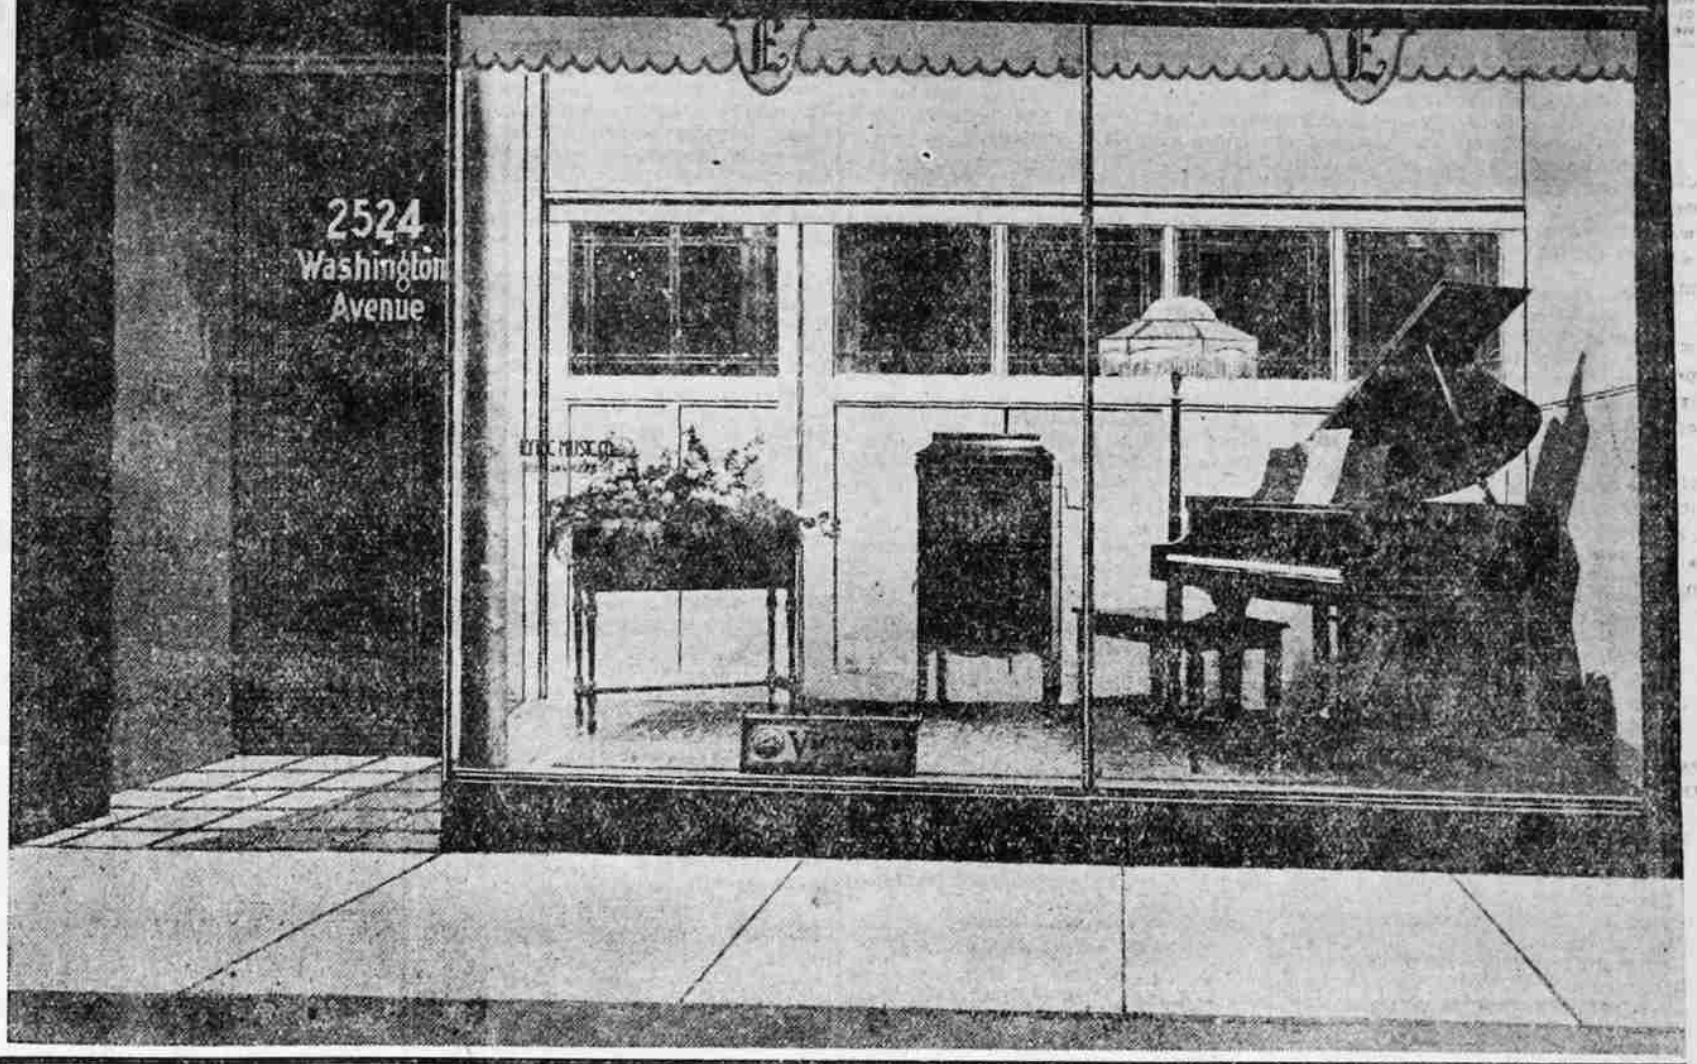

It is easier to break up a cold or check a cough now than it will be later. Persistent bronchial coughs that "hang on" all winter pave the way for serious throat and lung diseases. L. W. ## WEBER GRIDDEERS DEFEATED AFTER STUBBORN GRID GAME WITH B. Y. C. AGGREGATION

Outweighed twelve pounds to the man the Weber Normal college put up a stubborn game against the heavier Brigham Young college players at Lorin Park yesterday, losing to the visitors by a score of 20 to 0. The game was worth going miles to see and the light team of the local school outplayed the visitors in three of the four periods. In the first and second periods the Weber players showed the class of a seasoned aggregation and outplayed the visitors at all stages of the game. The first half ended with the score reading 0 to 0 and with the bulk of play being carried by the locals. Watson's backfield stars played a wonderful game during the first period and came within scoring distance on three occasions only to lose to the ball. In the second period Lindsay broke loose and ran forty yards through a broken field before being downed on his own ten yard line. All efforts to put the ball over the line failed and the visitors received the ball on downs.

### Played Good Ball.

During the entire first half the two teams played consistent ball. Weber in particular played wonderful ball but the strength of the visitors was too much for the light local team.

The three touchdowns of the visitors were the direct result of fumbles. The first score came in the third period, when Johnson recovered a Weber fumble on Weber's five-yard line. He wiggled his way over the line for the first score. Napper kicked goal.

In the final record the invaders scored two more touchdowns.

Adams recovered a second Weber fumble in the first period and ran thirty yards being downed. He later took the ball through the line for the second score of the day. Napper again kicked goal. From that stage until the whistle sounded the invaders played superior ball to the light local eleven. Their final score came when Napper recovered a fumble and went through the line for a touchdown. He failed to kick goal.

### Lindsay Star.

For Watson, Lindsay in the backfield was the bright star of the day. He engineered his line plunges and end runs with the style of a Brickley and his defensive work was also of the stellar order. He should develop into one of the classiest high school backs in the state. Brower, Critchlow and Croft also played stellar games for Watson.

For the invaders Napper was the individual star. The big fullback seemed to be the only member of Coach Knapp's team that could consistently hit the line for gains. He was a tower of strength to his aggregation. Adams and Cox also played good ball.

A large crowd of roared the game. F. Kanzler handled the referee reins, while Billie Glasman officiated as umpire. The lineup and summary:

Weber (6): B. Y. C. (20).
